

# Los Cerritos Middle School Choir

*Who says music doesn't change lives?*

## 2017-2018 Business Sponsorship Opportunities

Thousand Oaks is a community that encourages the arts, and businesses like YOU play a vital role in providing the support that helps ensure the livelihood of arts education in local public schools. **Los Cerritos Middle School (LCMS) Choir** is an award-winning arts program that deserves your support! For the past 10 years, the LCMS choir has grown under the leadership of Director Janice Hague; nearly 1 out of 4 students participate in the choir program. Not only has the choir grown in size, but they've flourished. Our choirs have received perfect scores in both state and regional competitions— **making us one of the top middle school choirs in the ENTIRE state**. Being in choir not only teaches our students about working hard and becoming a leader, it also gives them a place to belong, with friends who share the same passion as they do for music.

But our program can't survive without the support of our generous families and businesses like you! Since our choir program relies solely on funding from external resources, we look to our business sponsors to help maintain and grow the four ensembles that make up the LCMS Choir Program. Please help us continue to "change lives through music" and **consider supporting the LCMS choir through a variety of sponsorship opportunities**.
